**Resolution of teachers' council meeting held on 6.12.2021 relating to proposal for
providing scholarship to needy students**

Secretary of the council proposed that some scholarships may be provided to the needy students in the perspective of pandemic situation so that they can continue and complete their studies. Most of the faculty who were present in the meeting express their concern about the post pandemic situation. It has been resolved that this scholarship may be conferred to the students on 24 December in the Award ceremony which is also sponsored by the fund created by faculties. Also resolved that about Rs. 25000 maybe allocated from the teachers' council fund. Also there is an appeal to all faculties to provide special scholarship from the department out of individual contribution so that they can cope up with the post corona crisis. All faculties agreed to pursue this proposal. Principal is requested to issue a notice for the selection of students on the basis of need and their dedication.
