Institutional Distinctiveness

TRANSFORMATION FROM "I" TO "WE": TOWARDS DEVELOPMENT OF THE CONSCIENCE OF SOCIAL RESPONSIBILITY

It has often been said that "Without knowledge there is no salvation". To fullfil its vision and achieve its Mission, Vijaygarh Jyotish Ray College shoulders the responsibility not only to impart academic education but also to escalate self-confidence, self-reliance and self-respect among its students. It also responsibly inculcates human, moral and ethical values among its students by sustained community engagements. This is a distinct characteristic of the Institute. A wide range of outreach activities have been organized by the Institution through NCC, NSS and different NGOs with whom the Institution has collaborated. Following activities have been conducted by NCC, NSS and the collaborators Garia Sahamarmi Society and Anandapally Nivedita Academy.

It had been felt by the Institution that to achieve the goal of fulfilling social responsibilities, contributions made only by NCC, NSS and other cells and committees were not enough and adequate. The Institution wanted to reach to the remote places of not only in the state of West Bengal, but to various places of the nation and eventually to the global arena. The Institute was trying to find out some exclusive ways which would enable it to reach out to the society as a whole. It wanted to disseminate knowledge and information not only to its students but also to the general masses of the larger society. COVID pandemic in 2020 expedited the necessity of finding out ways to reach its students as well as to the society thus making the college different from others. The result of this pursuit is RADIO KOLKATA, the unique characteristic of Vijaygarh Jyotish Ray College.

Radio Kolkata: Our Exclusive way of Communication and Knowledge Sharing

Due to covid-19, it was difficult to reach to the students physically and we were compelled to communicate through online media. To upgrade into a new horizon to reach our students, teachers as well as community, locally and globally, Vijaygarh Jyotish Ray College has taken a prodigious step towards a special mode of communication, i.e., via internet radio, and established its own Internet Radio Station: Radio Kolkata.

Radio Kolkata: The element that makes Vijaygarh Jyotish Ray College unique among others is that this College has its own Internet Radio Station "Radio Kolkata", which makes Vijaygarh Jyotish Ray College the first of its kind in India.

In the pandemic situation and during intermittent lockdowns, students were unable to reach College and vice versa. In this era of the internet, phone, and computer, students of Vijaygarh Jyotish Ray College were able to enjoy their education through online media but to impart some refreshment in this pandemic gloom, radio is one of the best options for education, entertainment, refreshment, information, and community reach as well. With this vision, Radio Kolkata was conceptualized and it finally came into existence on the occasion of Foundation Day of VJRC (2nd November 2021) with a GB resolution. The Radiokolkata.org (Radiokolkata) domain was purchased by the institution. The main objectives of Radio Kolkata are Information, Education and Entertainment where a participatory model is followed so that anyone, be it our students, teachers, non-teaching staff, their friends and family, people outside in the community can show and indulge their talent and hobby. The studio facility was established before the pandemic hit. Focusing on the Prime Minister's vision of Young Entrepreneurship, the studio is being improved to nurture young talents by exposing them to the hands-on work of media so that in the future they can work as young entrepreneurs and we can transform the radio center into a Start-Up. Experts from outside are involved to train young students in different areas of radio programming such as anchoring, editing, voice over, radio broadcasting and streaming, programme promotion etc. Many young students have found jobs after training and internship from Radio Kolkata facility. The programme format

Rajyasri Ray

Principal
Vijaygarh Jyotish Ray College
Kolkata-700 032

of AIR is followed for Radio Kolkata except news. The Principal, Dr. Rajyasri Neogy is the Chief advisor and HOD, Dept. of Journalism and Mass communication, Dr. Arnab Kr. Banerjee is the Director, while the Advisory Committee consists of many eminent personalities from Doordarshan and Akashvani. In the future, it is our dream to start along with the radio, a print and web media "Kolkata Media", which will publish both Bengali and English dailies, for which we have already applied to RNI for preliminary permission.

In the 21st century, there are new paradigms shift from traditional approaches to education to network-based e-learning understandings. The integration of educational radio programs is growing significantly in all levels of education. Radio plays an important role in education. It not only informs, but also inspires human beings to learn more and more. It also includes values and virtues, creates attitudes, interests and appreciation of human life. It can cover a very wide area at the same time. The cultural programmes, talks, through broadcasts create a strong desire among the people to know each other's culture and values. Through the exclusive way of communication of Radio Kolkata we are able to reach every corner of the society as our very own inclusive approach. Radio Kolkata organizes programmes for students which include educational, entertainment, informative and cultural aspects. We organize programmes on values, gender issues, national, international and local days of importance, social issues, health awareness, agriculture, heritage, science and technology, current affairs as well as entertainment programmes on music, story, drama and children's programmes which ultimately serves as one of our inclusive and sustainable community outreach approach.

The programmes of Radio Kolkata can be divided into three broad categories-

1. Entertainment
2. Education
3. Information

Radio Kolkata follows a participatory model, i.e. anyone can participate to show his or her talent. Following is a list of programmes mostly broadcast in Bengali language.

1. Kichu katha kichu gaan: This is basically a music programme like in FM channels. Anybody can participate. Students can do the anchoring or learn anchoring by observing a talented anchor conduct the show. recorded original songs are not played as it is available, but we encourage the singers to sing in their own voice to promote self talent.

2. Sangeet samaroha ("Musically yours"): this programme is dedicated to promote band songs by new talents.

3. *Virtual Classroom*: This is a syllabus based educational programme mainly targeted to school, college and university students. school students are focused as they are soon going to enter higher

education. School, college, university teachers share their expertise on different subjects, students can even mail their queries after the programme. Also the recordings are available for later.

4. Jiggasa: this is a science and technology related informative programme. Eminent scientists, science communicators, science reporters join this programme to share information about new discoveries, science and technology news, new areas in science etc, with science day, earth day, environment day being a major focus.

5. Chasbash: Experts from universities, agricultural institutes share their knowledge about plants, agriculture, pisciculture, horticulture, epiculture, gardening, soil, water with us through this programme. This programme benefits only our students but it has a huge impact on society as most of our students and their families are from villages of Sundarban area where agriculture is the mainsource of livelihood. We make this programme more entertaining by adding a few "Baul gaan" and "Tarja gaan inbetween.

6. Angana: A radio programme exclusively dedicated to women. This programme focus son social, economic, health, security, empowerment etc issues are discussed along with success stories of notable women achievers in our country.

7. Aitijya (Heritage): This programme is focused on the rich educational, cultural and technological heritage of India as well as West Bengal. programmes like " Patachitra, Putul naach, Shari gaan are included.

8. Drama programme: Students make audible drama from established/ known stories or they can make the drama based on stories written by themselves.

9. Kathay kathay: Interview programme with can make stories written by themselves and read on the radio platform.

10. Golpe golpe: Students can read stories from established/ known stories or they renowned notable persons from different fields conducted by students.

11. Swasther sathi: Doctors from different fields give their expert advise or discuss about a disease in this programme. We also collect feedback from our audiences.

12. Ramdhanu, Chhutir adda: Children's Programme where experts from outside can anchor the programme or children themselves can manage the programme.

13. Rakamari: A travel based infotainment programme where our students can share their travel experiences and details of the destination with the audiences.

14. Ei somoye: Students read columns from current news paper except political news.

15. Shikshangan: Educationalists give expert advice on subjects before important examinations.

16. *Special programme*: Our students cover and make short reports on current events (except political affairs) like Durga puja, Christmas, Book fair and other festivals and share the event details on Radio Kolkata.

VIJAYGARH JYOTISH RAY COLLEGE

Phone : 2412-4082

(Affiliated to The University of Calcutta)
8/2, BEJOYGARH, JADAVPUR, KOLKATA - 700 032
ACCREDITED BY THE NAAC - B+ Grade.

Ref. No....................

Date....................

Extract of GB meeting held on 30.10.2021

Misc xi) b) To consider the initiation of Media Centre: Principal proposed that a media centre may be started for different activities such as a) Publishing of e-journal b) Tabloid c) News Portal etc. The convenor may be Dr. Arnab kr. Banerjee, HOD, Department of Journalism & Mass Communication. Also an Internet Radio will be started named RadioKolkata.org. The inauguration is proposed on 2/11/2021, the foundation day of the college. Principal reports another proposal by IQAC that this internet radio will serve in a very broad aspect. It may be the uniqueness of the institution. It may be used to showcase talent of students, teachers & staff. It may be a strong weapon for community awareness, student awareness as a whole. It will strengthen the relationship of Vijaygarh Jyotish Ray College with the rest of the world. Through this radio, Vijayagrh Jyotish Ray College can reach every corner of the country. The initial expenditure related to this will be borne by the college under extracurricular activities. The estimated expenditure may be around to 30 to 35 thousand per month including technical expenditure, academic expenditure, server charges and promotional expenditure. The chief advisor and director initially are Dr. Rajyasri Neogy (Principal), and Dr. Arnab Banerjee respectively & members are Dr. Prasenjit DaS, Dr. Sampa Debrath, Dr. Mrinal Birbanshi, Soma MaJumder, Bakul Srimany and Dr. Avijit Das.

Metrics we have considered in this report

Session:- A session is a group of user interactions with your website that take place within a given time frame. A single session can contain multiple page views, events, social interactions, and ecommerce transactions. A single user can open multiple sessions.

User:- A user is a visitor who has initiated a session on your website: the moment a person lands on any page of your site, they are identified as either a **new or returning user.** Google Analytics differentiates between new and returning users based on visitors' browser cookies.

Pageviews:- A pageview is defined as a view of a page on your site that is being tracked by the Analytics tracking code. If a user clicks reload after reaching the page, this is counted as an additional pageview. If a user navigates to a different page and then returns to the original page, a second pageview is recorded as well.

Bounce Rate:- The percentage of all sessions on your site in which users viewed only a single page and triggered only a single request to the Analytics server. As a rule of thumb, a bounce rate in the range of 26 to 40 percent is excellent. 41 to 55 percent is roughly average. 56 to 70 percent is higher than average, but may not be cause for alarm depending on the website. Anything over 70 percent is disappointing for everything outside of blogs, news, events, etc.
